

IT Overwatch

*WHEN SWIMMING WITH SHARKS,
IT'S BEST TO HAVE A PLAN*

RISK IS EVERYWHERE

In today's digital world, you can't drop your guard for even a second. The sharks are always watching and never stop moving—you can't either. The regulatory, financial, and reputational damage a data breach causes can be catastrophic—just read the headlines.

With nationally recognized experts in Healthcare, Banking, Compliance, and Title and Escrow industries, PYA's IT Overwatch program is your strongest defense.

Customized for your organization, IT Overwatch is a comprehensive platform that addresses every element of your IT infrastructure process, data governance, and risk management. IT Overwatch draws upon PYA's full suite of business and compliance experts to provide a breadth of review not found in IT-only firms.

Your IT program touches every aspect of your business, from the waiting room to the boardroom. Your defense tactics should too.

Help is our culture. Relationships are our passion.

In our hearts, we are a service organization—service to our clients, to our industries, to our communities, and to each other. Based on decades of our stories, these core values are what set us apart. They come from within—reflections of our people and our commitment to helping however we can.

The PYA Way

We Are Radically **Responsive**.

We Strive for **Excellence** (Not Perfection).

We Are **Compassionate**.

We Are Lifelong **Learners** and **Teachers**.

Integrity Is Non-Negotiable.

We Are **Authentic**.

We Are **Honest**.
